In making such sales, the City Council may sell timber, minerals, water, and other rights and resources on or attaching any land owned by the City separate and apart from the land in the same manner and upon the same terms and conditions as provided in Sections 2.30.020 through 2.30.060 for the sale of real property. 2.30.020 **Minimum Price of Real Property.** The City Council shall fix a minimum price at which real property may be sold. In the case of a negotiated sale, such price must be set according to the provisions of Section 2.30.040 of this chapter. No sale shall be made unless at least the minimum price fixed by the City Council is paid. (Ord. 969, May 2017)

2.30.030 **Procedure for Sale of Real Property.** The City Council shall determine which of the following methods shall be used to facilitate the sale of real property owned by the City and shall set forth such determination in the form of a Resolution. Passage of such a Resolution does not bind the City Council to sell the property using only such method if such method proves over a reasonable period of time to be unsuccessful. The sale may be facilitated by either:

- A. Competitive Bid Auction. Unless otherwise provided by law, all sales by auction via competitive bids shall be as provided in this chapter.
- B. Realtor Listing. The property shall be listed for sale through a reputable licensed realtor. Such realtor shall be chosen through City Council approval.
- C. Negotiated Sale. The City Council shall set forth its reasons by Resolution declaring its desire to attempt a negotiated sale. Passage of such a Resolution does not bind the City Council to sell the property by negotiation.
- D. Intergovernmental Transfer Pursuant to Chapter 39.33 RCW.
- E. Other Method Authorized by Statute. When sale by a method other than through a competitive bid is specifically and expressly authorized by state law.
- F. Other Method in Emergency. When the City Council setting forth the facts by Resolution has declared an emergency to exist. The City Council shall further direct by Resolution the manner of sale appropriate to meet the emergency. (Ord. 969, May 2017)

2.30.040 **Negotiated Sale-Appraisal.** Following the passage of a Resolution as provided in Section 2.46.030 above, the City Council shall direct the obtaining of at least one appraisal for the property being considered for sale. The appraisal shall be performed by an independent qualified appraiser. The appraisal shall determine the value of the property for the purpose it is intended to be used, and the value of the property for such other purpose or under such other circumstances as the City Council may direct. The appraisal shall be performed not more than twelve (12) months prior to the date of sale unless the City Council by Resolution setting forth its reasons provides for a longer period of time. The results of the appraisal shall be made public prior to the Council's approval of the sale of the real property. No real property shall be sold for less than any appraisal obtained without the City Council setting forth its reasons by Resolution. This requirement to obtain appraisal may be waived via City Council approval and Resolution after public hearing. (Ord. 969, May 2017)

2.30.050 **Competitive Bid Auction Sale.** A sale by method of auction via competitive bidding shall conform to the following requirements:

Both such posting and the date of last publication must be at least five (5) calendar days before the final date for submitting the bids.

- B. Contents of Advertisement for Sale of Real Property. The advertisement for bids shall particularly describe the property or portion thereof proposed to be sold, shall designate the place and the time that the bids will be opened, shall set forth the minimum price established by the City Council, and shall set forth the terms of the sale.

The purchase price, terms and condition of sale shall be approved by the City Council as a condition of any purchase. Final approval of any purchase of real property shall be obtained from the City Council prior to purchase. The City shall have authority pursuant to RCW 39.30.010 to purchase real property by an executory conditional sales contract. (Ord. 969, May 2017)
