

RESOLUTION NO. 2017-38

**A RESOLUTION OF THE CITY OF BENTON CITY,
WASHINGTON, ADOPTING WATER USE EFFICIENCY
GOAL**

WHEREAS, the City of Benton City operates a Water Utility which provides potable water and fire protection to Benton City citizens within the utility's service area; and,

WHEREAS, the Washington State Department of Health has implemented regulations for water use efficiency for water purveyors to comply with the municipal Water Supply Efficiency Requirements Act of 2003; and

WHEREAS, on November 7, 2017, the City held a public hearing to discuss the proposed water use efficiency goal in order to allow the community and public to participate in setting the goal; NOW, THEREFORE,

THE CITY COUNCIL OF THE CITY OF BENTON CITY, WASHINGTON, hereby resolves as follows:

The City of Benton City hereby adopts the water use efficiency goal of 2.5% water use reduction by December 21, 2022 (.5% per year for 5 years). The City will implement measures outlined in the Water Use Efficiency Program to attain this goal.

ADOPTED this 21 day of November, 2017, by the City Council of the City of Benton City, Washington, and signed in authentication of its passage this 21 day of November, 2017.

Resolution 2017-38 filed and recorded in the office of the City Clerk of the City of Benton City, Washington, this 21 day of November, 2017.
